

Internship Certificate

To whom it may concern,

Herewith, we confirm that Ms. Jiajing Fang (born on October 1st, 1995), has been employed as an intern with Huawei Technologies Deutschland GmbH in the Berlin Office from March 1st, 2022, until June 30th, 2022, working fulltime (Monday – Friday, 09.00 to 18.00h).

As an intern, Ms. Fang has consistently demonstrated great contribution for Huawei during this period. She successfully established strong and trust-based relationships within her department and across all levels within the Huawei organization. The management fully recognized her commitment, determination and ability to complete her responsibilities and tasks to a very high standard.

Her responsibilities and tasks included:

- Assist to develop VR educational software application demo in Unity
- Collaborate with seniors to implement and maintain a screws object detection model in Huawei AI cloud platform
- Investigate Huawei AI products (Atlas, Hilens) and Huawei VR products (VR glasses and 6DoF set) and generate documentations

We highly appreciate Ms. Fang for her outstanding contribution, and wish her continued success for her further studies as well as professional and personal future.

Düsseldorf, June 30th, 2022

Yours sincerely,

Sandro Bilobrk
